FOR IMMEDIATE RELEASE

Who: California Department of Transportation

What: Pavement Improvement

When: Friday, June 25, 2010

Where: In Mono County on SR 120 at three locations from Tioga Pass at the Tuolumme County Line to Yellow Jacket Road near Benton, California

Bishop – Caltrans District 9 Director Tom Hallenbeck announced the award and approval of a \$ 2 million project in Mono County on SR 120 at three locations from Tioga Pass at the Tuolumme County Line to Yellow Jacket road near Benton, California. The contract was awarded to Sierra Nevada Construction Inc. from Sparks, Nevada. The project will improve the pavement.

Sierra Nevada Construction will begin construction Friday, June 25, 2010. The anticipated completion date is early August 2010.

The traveling public is advised that during daylight hours there will be traffic control with flaggers. Expect delays of up to 20 minutes.

When approaching the construction zone, the traveling public is advised to reduce their speed, observe the construction signs, and watch for construction personnel and equipment.
